

## Library of Things Borrowers Agreement

The Howland Public Library provides a “Library of Things” to the community which includes items such as equipment, devices, and technology that adult cardholders of Howland Library who are 18 years or older may check out. The library account of the borrowing patron must be in good standing and all borrowing patrons must have a signed borrowing agreement on file before items can be checked out.

Loan period: All items and devices have a 14 day loan period with no renewal, unless noted in the table below. You may only have 3 “Library of Things” items out at a time.

Personal Information: Any personal information on digital devices should be deleted before returning electronic items. The Howland Public Library and its employees will not be deemed responsible for any information remaining on devices.

Returning Items: Items and devices must be returned inside the library directly to a staff member at the Circulation Desk. Items may NOT be returned in the library’s outside or inside book drop, or to any other library. Library staff may not be able to check item in immediately upon return but all efforts will be made to check item in within 24 hours of drop off. No fines will accrue past drop off time.

Late Fee: Fines are \$5.00 a day for “Library of Things” items and \$1.00 a day for hotspots.

Replacement costs: As with all library materials, you are responsible for the repair or replacement cost of any lost or damaged item(s) you check out on your library card, including all component parts of each item. Replacement charges vary for each item (see table below).

Borrower’s Indemnity Statement: In consideration of my borrowing items and devices from the Howland Public Library I agree to take full responsibility for the item, its accessories, and its carrying case. I agree to pay the replacement or repair costs of the items that are lost or damaged. I will hold the Howland Public Library harmless in the event that I choose to attach the device to my personal computer and the device or my personal computer malfunctions. **In no event shall the library have any liability for any special, indirect or consequential losses or damages howsoever arising.** I have read and understand the Library of Things terms and conditions and agree to borrow this item according to the terms and conditions set forth above.
